

Ministry of Information Technology, Communication and Innovation

Communiqué

The Government Online Centre (GOC) operating under the Ministry of Information Technology, Communication and Innovation will be conducting maintenance exercises on the eservices platforms.

This intervention has been scheduled for **Friday, June 13, 2025, from 21:00 until 03:00 the next day**. The following online services will therefore not be accessible during this time period:

1. Application for Learner's License.
2. Application for Mauritians in Distress Abroad
3. Application for NLTA Reg Mark
4. Application for Women Courses
5. Application for DPC Courses.

The Ministry of Information Technology, Communication, and Innovation thanks all stakeholders for their understanding.

10 June 2025
