

INFORMATION & COMMUNICATION
TECHNOLOGIES AUTHORITY

COMMUNIQUÉ

The Information and Communication Technologies Authority (ICTA), in the discharge of its statutory functions under the Information and Communication Technologies Act (the Act), hereby informs the public of the publication of: -

1. Telecommunication Directive 1 of 2025 to all licensed Public Land Mobile Network operators regarding the maintaining of records of their subscribers to whom access to services are authorised through a SIM or an M2M SIM.
2. Telecommunication Directive 2 of 2025 to holders of Internet Services Licence offering Internet services to the general public, for the deployment of a decentralised Child Sexual Abuse (CSA) Online Filtering system.

The above Directives may be consulted on the website of the ICTA at the following weblinks respectively:
